Alma Mater

Nestled near East River's ridges
With its lines of blue;
Stands our noble Alma Mater
Glorious to view.
G-Men faithful,
G-Girls grateful,
Conquer and prevail
Hail to thee our Alma Mater
Graham High all hail.

In 1913 the corner stone was laid for Graham High School. In 1955 the corner stone was laid for a new building at Double Gates.

The Harmon Masonic Lodge was in charge of the ceremony. The Worshipful Master of the Lodge was L. N. Dalton also Principal of Graham High School.

Before we leave let us review the last year at the "old building." It takes "a lot of living in a house to make a home" so for many of us the old building will always be OUR school and hold a place in our hearts.

Dedication

We take great pleasure in dedicating the 1956 Annual to MR. LAWRENCE (BURRHEAD) BRADLEY. As coach and athletic director at Graham for six years, he has rejoiced with the G-Men in victory and consoled them in defeat. His patience and understanding have inspired the boys to do their best. "Get in there and play a good game," he tells them; and they know he means in all phases of life, not just in that one ball game.

As instructor of Driver Education he has made Graham students safer drivers. For all the students we say, "Thank you."
Selected "Basketball Coach of the year" in '56.

THANKS!

It's ready for the press at last, but we never could have made it without help from all of you. We would like to express our heart felt thanks:

TO: Mr. Dalton for his patience when we disrupted the school schedule taking pictures . . . . particularly the day we had "very important visitors".
TO: The faculty for their cooperation in permitting us to interrupt their classes . . . . especially the times they had to put off giving tests.
TO: Mr. Leffel and his helpers who willingly waited until the "next morning" to sweep room 304.
TO: The commercial teachers for the use of the typing room.
TO: Mrs. Compton for the use of the library at our study hall periods.
TO: Mrs. Friedl for the use of the kitchen the night we were determined to "get to press" and cooked dinner at the school.
TO: Our parents who "put up" with our being late every day for weeks.
TO: All the students who signed up for a copy of The Graham.
TO: Our advertizers.

CONGRATULATIONS

To The

GRADUATING CLASS

FULLY ACCREDITED

A good school specializing in many branches of professional business training.

You receive personal consideration of your interests or problems the moment you visit McLains. Guidance, Admissions and Placement are at your service. Small classes mean a more personalized education. A well-balanced program of study. Today, the expression "learning the business" is fast disappearing from the vocabulary of business men. Modern business hasn't time to vocationally start out its employees. The trained ones win!

Well organized social activities, and athletic program to better prepare for social and civic leadership. You train for a definite career goal. By studying only subjects directly related to the business field of your choice, requires shorter time with a resultant lower cost. It pays to prepare at McLains—just ask anyone who knows.
